SUMMARY OF QUALIFICATIONS – USER EXPERIENCE ENGINEER INTERN

Software Development student specializing in front-end engineering and intuitive UI. Skilled in React, JavaScript, HTML, CSS, responsive design, prototyping with Figma, and user-focused iteration. Experienced collaborating with designers and stakeholders to build production-ready interfaces. Available for a 12-week User Experience Engineer internship in Summer 2026. Fluent in English and Portuguese.

SKILLS AND TOOLS

- **Front-End Engineering: React** (experience with frontend frameworks), JavaScript (ES6+), HTML, CSS, responsive UI, component-based architecture, accessibility (WCAG)
- **UX & UI:** Prototyping, wireframes, user flows, usability feedback, interaction design, Figma
- **Computer Science Fundamentals:** Object-oriented programming, data structures, algorithms, software design
- **Tools & Workflows:** Git/GitHub, Agile collaboration, code reviews, deployment with Vercel
- **Additional:** Tailwind CSS, Firebase, Python, Java, C#

EDUCATION

Bachelor of Applied Science, Software Development

Sep 2023 – Present

Bellevue College, Bellevue, WA | Expected Graduation: 12/2026

Relevant Coursework: Web Programming, UX Design, Data Structures, Human-Computer Interaction

Projects:

- **GioBBeauty — Salon Website (React, Vite, Tailwind)**

Developed a professional, **responsive UI** using **React** and **Tailwind**, implementing a **mobile-first booking flow** to enhance appointment engagement. Collaborated directly with a client to define technical requirements and iteratively deliver a polished, production-ready user interface.

- **AlbaniGo — Language Learning Web App (React, Firebase, Figma)**

Developed **AlbaniGo** (full-stack application) using **React** and **Firebase**, improving core product performance by **25% faster load time** through optimization based on user feedback.

- **MiniCloset — Resale App UX Case Study (Figma / React)**

Led research and **high-fidelity prototyping** in **Figma** to design the core flow for a resale application. Improved **task success** by **80%** through **usability testing** and **interaction design iteration**, demonstrating strong knowledge of UX best practices.

Associate's in Foreign Trade Technology

Jan 2021 – Dec 2023

Faculdade Sao Judas Tadeu, Brazil

LICENSES & CERTIFICATIONS

Google UX Design Certificate – 2025

EXPERIENCE

President, Brazilian Club, Bellevue College – Bellevue, WA Sep 2024 – Present

- Lead cross-functional collaboration with students, designers, and campus staff to deliver accessible event experiences that engage 200+ students.
- Manage timelines, planning, and feedback loops gaining strong communication, coordination, and iteration skills.
- Design digital promotional materials aligned with audience needs and brand messaging.

Administrative Assistant, West Pharmaceutical Services - São Paulo, Brazil Jan 2019 – Jun 2021

- Improved digital documentation workflows and maintained accurate data systems across multiple teams.
- Coordinated internal communication and scheduling in a technical environment, strengthening adaptability and attention to detail.
